

# Marcia Leite

FRONT-END DEVELOPER

## ABOUT ME

Dedicated Front-End Developer with a passion for creating engaging and user-friendly web experiences. Proficient in HTML, CSS, JavaScript. Experienced in both React and Angular frameworks. I excel in creating robust components and implementing responsive designs that enhance user interactions. Skilled in translating design concepts into functional code. Eager to collaborate and contribute to cutting-edge projects.

## WORK EXPERIENCE

### Front-End Developer

Tata Consultancy Services (Uruguay), May 2022 - October 2024

- Developed and maintained front-end code for complex web applications using React.js and Angular v15.
- Built modular and reusable UI components using React.js and styled-components.
- Created responsive user interfaces for web applications using HTML, CSS, and JavaScript.
- Implemented responsive layouts and optimized designs for multiple devices and screen sizes.
- Collaborated with the back-end team to integrate front-end components with server-side technologies.
- Improved website accessibility by performing accessibility audits.

### Teaching Assistant

Bootcamp Henry, February 2022 - April 2022

- Reviewed lessons and guided web development students.
- Organized online group discussion sessions via Google Meet, fostering a collaborative environment and improving group project performance.
- Integrated quizzes and assessments via Quizlet during lessons, increasing instant feedback.
- Helped students to develop interactive SPA, boosting students engagement.

### IT Support

Hotel Gran Meliá Iguazú, April 2019 - August 2021

- Carried out control of guests in house through Opera System.
- Monitored charges to rooms through Micros System.
- Assisted hotel staff as technical support, mainly with the staff entry and exit system.

## English Teacher

First Class English Institute | 2017 - 2018  
Normal School N° 11 | 2016  
San José Institute | 2015  
Public School N° 129 | 2014

- Designed and implemented successful lesson and overall curriculum plans that improved average final exam scores.
- Utilized cutting-edge educational techniques to improve student attention and retention throughout lessons.
- Led an interactive grammar workshop series using Articulate Storyline.
- Integrate virtual platforms for interaction and improvement in student performance, strengthening their linguistic skills.
- Fostered creative storytelling through flashcards.
